

Second Grade

Summer Assignment

Dear Incoming Second Grader,

In first grade you had a busy year learning new math and ELA Skills. Mastery of these skills is extremely important in order to develop a solid foundation. The second grade curriculum will add on to these first grade skills, so any time spent learning or reinforcing these concepts will be most beneficial to you!

Please refer to the Summer Weekly Log sheet for your assignment of the week. Once the assignment is completed, fill out the weekly log and have a parent or guardian sign it.

We are really looking forward to having you in our class in September as sensational second graders! Have a wonderful summer!

Sincerely,

The Second Grade Teachers ☺
