

Good Morning Parents and Guardians:

During this ever-evolving public health crisis, the health and safety of all of our students continues to be our first priority. We know that this is a stressful time for all New Yorkers, but especially for our students. We also know how hard our students and families have been working to navigate Remote Learning and we thank you!

We know that Spring Recess is a time of rest and recharging for our educators and students alike. We will begin our Theme Based remote learning activities beginning Monday, April 13<sup>th</sup>. This work will keep the students and their teachers meaningfully engaged and connected with each other.

Students should continue to:

1. Log into their Google Classroom grade Attendance Page and record their daily attendance by **completing the google form.**
2. Go to their Official Google Classroom page and follow the teacher's directions.

The themes are as follows and activities will vary by grade and class:

Monday: My Future Monday (College and Career Readiness)

Tuesday: Trip Tuesday (Access a virtual Tour)

Wednesday: Who is in your community Wednesday? (Thinking about people in our community that we might not realize are essential)

Thursday: Thank You Thursday (Who can we thank at this time)

Friday: Feel Good Friday (An Activity to make YOURSELF feel good)

We are hoping the theme-based activities planned by the teachers will be fun for the kids and families.

As I move into the new role of Interim Acting Principal, I am thankful to work with such dedicated administrators and teachers, enthusiastic students and supportive families. P.S./I.S. 104 is truly a family and at this uncertain time, we will continue to work together to support our students. I have been fortunate to have worked side-by-side with an amazing mentor in Ms. DiBella. P.S./I.S. 104 is second to none!

Please do not hesitate to reach out with any questions or concerns.

Sincerely,  
Suzanne Gordon  
Principal, IA
