

IMPROVING EDUCATIONAL OUTCOMES

Weekly Parent Email 5/22

Ms. Gordon from P S I S 104 THE FORT HAMILTON SCHOOL has sent you a message:

Dear Parents and Guardians,

Monday, school will not be in session in observance of Memorial Day. The P.S./I.S. 104 Family wishes you a restful, peaceful Memorial Day weekend. Though the unofficial start of summer may not be quite the same this year, it still provides the opportunity to connect with your loved ones, even if at a distance, and honor the men and women who have sacrificed their lives to defend our freedom. Our thoughts are with all those who may have lost someone while they were serving our country and for the safe return of all those currently serving.

We hope your child participated in our May 22, Red, White and Blue Spirit Day. Please send a picture of your child to Lfitzgibbons@schools.nyc.gov to be included in our video that will be posted on our school's website. Our next Spirit Day is PAJAMA DAY on May 28. Reminders will be sent to the school community on the Google Classroom streams.

www.psis104.com is our school's website. I encourage all families to go to our website for a variety of resources.

Now included on the website:

- ◆ Friday Family Fun Day- Ms. Maginnis, our Parent Coordinator, has begun a new section where each Friday you can find a fun family activity. Check out this week for 3 Ingredient Banana Oatmeal Cookies!
- ◆ Weekly Updates- Important information that has been sent to the school community will be posted here.

- ❖ Letters from The Dept. Of Ed- important information from the DOE.
- ❖ Video Gallery- All our school videos from staff and students to lift our spirits!
- ❖ Mental Health Support- Resources for parents to support families at this difficult time.

Attached to this email is a letter sent from the Chancellor concerning the dates for Remote Summer School Sessions. Students that we identify as mandated or suggested for attendance in Summer School will be contacted separately in the next few weeks.

In an effort to clarify the school schedule, please be aware that all classes have been asked to follow their regular school schedule. This allows for teachers to plan lessons that do not conflict with another class. On Tuesday, May 26, teachers will repost K-6 Cluster Teacher schedules and grades 7 and 8 full class schedules to remind students of their weekly routines.

Lastly, I want to again thank parents and guardians for all your support during this unusual and difficult time. We know as parents and caregivers ourselves, the challenge of working, often from home, and assisting your children with their work at the same time. We are here for all our families. Please reach out to your children's teachers or to any member of the administration with questions or concerns. In addition, if you or your child is struggling, please reach out to Mrs. Morrison, School Guidance Counselor at vmorrison20@schools.nyc.gov. **We are here to work with you.**

Please take the much needed time this weekend to rest, recharge and get energized as we move into the final stretch of the regular school year!

Sincerely,

Suzanne Gordon
Principal, IA
