November 2017

Dear Delone Catholic High School Parents,

Rejoice

*Christmas is coming...and it's coming to DCHS...
December 12th...half-time...Basketball Game!*

As always, we need your support. A successful Christmas raffle requires as much participation as possible. Next week, 40 tickets per family will be distributed to the students during homeroom to take home and circulate to family, friends, and co-workers. These tickets practically sell themselves, because everyone can use some extra cash at Christmas time, and the tickets cost only \$1.00 – with a top prize of \$500!

The proceeds from the Christmas Raffle directly benefit your children by providing supplementary funds for use in the classroom or the school and for PTO sponsored events. Most recently some of the things the PTO was able to do was:

- purchase the bottle refill/water fountain located in the guidance hallway
- provide technical equipment to the Delone Catholic Broadcasting Network specifically for airing the graduation ceremony live
- host the freshmen orientation, back to school night, open house, and the academic banquet

If you or your student(s) have any additional suggestions or recommendations for school items, don't hesitate to forward this to the PTO via the main office. We consider all requests!

All purchased ticket stubs, money, and any remaining unsold tickets should be returned to the school office by Tuesday, December 5th. Checks should be made out to *Delone Catholic High School PTO*. Please note that all ticket stubs must contain the purchaser's name, address and phone number.

The drawing date is Tuesday, December 12th, during the boy's home basketball game. If you have any questions or need more tickets, please feel free to call Cindy Little, committee chairperson, at 717-225-4868 or the school office at 717-637-5969.

On behalf of the PTO and Delone Catholic High School, I would like to thank you for your support. We could not provide the additional services and supplies without you!

Sincerely,

Kathy M. Keith

PTO President
