AFTER SCHOOL STUDY SESSION – PARENT PERMISSION FORM

After school study sessions are provided as an opportunity for Instructional Support (IS) or Special Interest (SI) students to stay after school to work on any homework or missing assignments. They can also receive additional help from subject teachers, if they are available, or receive assistance from the Instructional Support Specialist. The sessions are held, as needed, Wednesdays and Thursdays from 3 p.m. to 4 p.m. Please return this form with your e-mail address and phone number for our records.

At the beginning of the each week, please send an e-mail to Mrs. Cook (kcook@delonecatholic.org) informing her of the day(s) you would like your student to attend that week.. An email will be sent to you confirming the after school study session date and an e-mail will be sent confirming that your child attended the session. In the email, please, indicate whether or not your child will need to leave before 4pm. At the end of the session, students should be picked up on South Oxford Ave entrance. This location provides for adult supervision while the students wait for pick up.

Students should bring the necessary materials to complete assignments, to study, to receive assistance in organizing materials, or for the subject area in which they need assistance. Please explain to your child that cell phones are to remain off and in their backpacks to avoid distraction. It is important that you talk with your child so they understand that the purpose of the after school study sessions is to help them achieve academic success at Delone Catholic.

Thank you and we look forward to working with your child.

Please indicate:
