September 12, 2019

Dear Members of the LMS Parent Community,

Back to School Night provides parents with the opportunity to meet their child's teachers and to learn about this year's curriculum, activities, and expectations. We hope you will join us on Thursday, September 19, at 6:30pm.

If you have specific concerns or individual questions about your child's LMS experience, you should contact your child's teachers or counselor directly via email, or make an appointment for a telephone or face-to-face conference. It is simply not possible to properly address any individual situation in the short time teachers have to deliver their presentations during Back to School Night.

Parents should enter the building through the Rotunda and report to the LMS Gym at 6:30pm to be welcomed by me and Ms. King. At 6:37pm, the homeroom bell will sound, and parents will report to their child's homeroom where you will receive a timetable for the evening as well as a copy of your child's schedule. Homerooms are listed on the schedule you received in the mail in August. You may also find your child's schedule and homeroom in the Genesis Parent Portal. Additionally, a homeroom list will be posted outside the LMS Library. We will have building maps available for you at both the Rotunda and Broad Avenue entrances and students will be stationed throughout the building to assist you as you follow your child's schedule. The Rotunda entrance will be locked at 6:40pm. If you arrive after that time please enter the building through the Broad Avenue main entrance.

Please note that there will be a 12:51pm dismissal for all students on Friday, September 20.

I'm looking forward to seeing you at Back to School Night.

Sincerely,

Mr. David Saco
Principal
