

Dear Second Grade Parents,

The second grade teachers have compiled a list of recommended school items that your child will need for the upcoming school year. Being prepared with the following supplies at the start of school will be **very beneficial** for each student. Many of these items can be purchased at great “Back to School” sale prices near the end of the summer.

- **One solid colored 1 inch three ring binder and 3 dividers with tabs**
- **Headphones in a plastic bag with student’s name**
- **3 folders: blue, green, yellow**
- One box of 24 crayons
- 1 dozen sharpened pencils # 2
- Two jumbo glue sticks
- **One pencil case**, including a box of #2 pencils, two plain pink erasers.
- One pair of scissors
- One ruler inch/centimeter with easy to read markings
- Four boxes of tissues
- One pack of black dry erase markers
- A book your child enjoys that can be used for independent reading
- Black and white marbled composition book

Our final request and this may seem picky, but let us explain. In second grade, textbooks are SELDOM sent home. Your child needs a backpack big enough to carry a folder and their lunch. We discourage large rolling luggage as it becomes a tripping hazard in the hallways and our closet space is very limited.

Please label all items with your child’s initials.

Thank you in advance for your cooperation. Enjoy the summer vacation and please encourage your child to read daily. We look forward to meeting you!

Sincerely,

The Second Grade Teachers
