

Dear Families,

We are excited to announce that this summer, Long Hill School will be participating in Newsela Summer Reading Clubs. Students will choose which club they would like to join and will receive 10 assigned articles related to the club topic.

Students should try to **Read** at least one article a week that has been assigned to them through their Newsela account. Students should complete the quiz independently.

When logging into **newsela.com**, your reader will use the following information.

Username: _____

Password: _____

Record the date, article title and check off the quiz box on the Newsela Summer Reading Log on the back of this page.

Return it to your next year's teacher in September 2018.

We are using Newsela because it is important to us that students develop an informed worldview and expand their nonfiction knowledge.
