April 2019

Dear Parents:

Parent involvement ensures the success of our children. Your participation and support are needed. Your Parent Teachers' Association works for your children throughout the school year. We provide materials and services that are not funded by the Department of Education and we also sponsor many events for parents and children.

Your participation and contributions enable us to fund these important materials and events. We ask that you fill out the attached envelope and enclose a voluntary donation. Please be advised your donation is not required for membership. All parents of students in P.S. 216 are automatically enrolled as PTA members. **The amount of \$10.00 is the suggested donation amount; however any donation is appreciated and will go a long way.** We need your help to make our school the best it can be!!!

Also, please feel free to contact us at 718-645-2862; to say hello, sign up to volunteer for events or just to see what is going on in your child's school. Participation is so important to the students and school community.

Thank you.

The Parents Association of P.S. 216
