

WELCOME TO PRE-K!

September 2020

Dear Parent/Guardian,

We welcome your child to Pre-K. We are excited to begin the school year. To make this year a most successful one for your child, please take note of the following:

- While we are unsure of how the school year will begin it is important to implement a daily routine with your child (wake up the same time each day, dress, eat, brush teeth, be ready to learn).
- Please keep to the routine regardless of our location as children thrive on consistency.
- It is also important to foster independence in your child by allowing them to explore the materials they use. (cutting with scissors, gluing, creating). We are concerned with the process not the product. We are not looking for perfect work, but authentic work completed by your child.
- A solid parent/teacher relationship is necessary for maximum school success. Throughout the year we will be in communication with you.

We look forward to a happy, rewarding and successful year for your child.
