

## **Guidelines for Arrival**

In order to ensure the safety of our students and assist parents who drop their children up on a daily basis, the following procedure and guidelines have been put in place. If you have any questions, please contact the office.

1. Have your child to school in the morning, at the time below. Due to the high volume of traffic, please stick to the time you are assigned and drop off according to **LAST** name.

**A-F** 8:30 arrival/ 3:00 dismissal

**G-N** 8:45 arrival/ 3:15 dismissal

**O-Z** 9:00 arrival/ 3:30 dismissal

2. There will be 2 traffic lanes that merge into one.
3. Please **do not** allow your child to get out of the car. Roll the window down and their temperature will be checked before exiting the car.
4. Once their temperature has been checked, they may exit the car and head to class. Please encourage your child(ren) to maintain a safe distance while on the sidewalk. We will have runners to assist Kindergarteners and new Lions!
5. You will not be allowed to pass in line, as this creates a safety hazard for not only our students, but parents as well.
