

July 1, 2019

Dear Beazley Families,

My name is Amanda Clay and I am excited to introduce myself as the newly appointed principal of L. L. Beazley Elementary School. I am honored to have been selected to join the Prince George County Public Schools family. During the past 18 years, I have been dedicated to helping students become successful while serving as a teacher and assistant principal with the Dinwiddie County Public School system. I am eager to partner with you to ensure the success of each child at L. L. Beazley Elementary School.

I will work diligently to continue the rich history and legacy of success established at L. L. Beazley by building strong relationships with parents, families, students, teachers, staff, and community members. We will continue to focus on engaging students in a high quality education that prepares them to be productive and responsible citizens. Our school will carry on an emphasis on high academic standards and will work to create a safe environment where all students have access to a quality education. I am also excited to carry on the R.O.A.R. of the day to recognize students for their respectfulness, optimism, achievement, and relentlessness! Each child has the potential to excel here at Beazley!

It is my goal that everyone who enters the doors of our school feels welcomed and excited to be here. I believe it takes a team to create a nurturing and prosperous school environment. I look forward to the work we will do together preparing our students for a bright future. I am here to work with you should you have any questions or suggestions during this school year.

I am thankful for the opportunity to lead at L. L. Beazley Elementary School. I look forward to getting to know you and working with you this school year. I hope you can join me on August 6, 2019 from 8:30am-10:30am or August 15 from 4:00pm-6:00pm for a meet and greet at Beazley. This will be a great opportunity to get to know each other and give your input on the upcoming school year.

Best Regards,

Amanda Clay
Principal
L. L. Beazley Elementary School
