- 541016# Social Studies 6
- 580526# Health & P.E. 6

Do NOT write in The blanks below!

If your child meets the criteria for advanced courses he/she will be automatically signed up for them. Criteria for being selected for advanced courses can be found on the back page of the 6th Grade Course Description Guide.
_____ Initial here if you do NOT want your child taking advanced courses if he/she qualifies.

Please circle either Option 1 or Option 2 below based on the preference that you and your child are choosing for next year's schedule. After circling your option, please complete that section accordingly.

Option 1

_____ 551016 Beginning Band (full year)

If you enroll in band you are making a commitment to the class for the entire year.

*Also, you must provide an instrument!

Option 2

If you do not want to take Band, you will choose 2 exploratory courses and the school will choose 2 exploratory courses (one of which is keyboarding). These courses last one nine-weeks each.

620056 Keyboarding [all students take Keyboarding pending available space/seating]

Choosing from the list below, please check (✓) the blanks beside two (2) exploratory courses you would like to take (we do not guarantee any exploratories – we reserve the right to pick all 4 exploratories).

do NOT pick both 722016 & 630526

*** PACE & PAAS students -- will be scheduled automatically

*** Future information to know:
To take Honors Algebra I (high school credit) in grade 7 students must be in all Advanced Classes in grade 6, meet the criteria established to enroll in all Advanced Classes in grade 7, AND be one of the top 25 students in Advanced Math 6 based on grades and SOL scores. To take Spanish I (high school credit) in grade 7, students must be enrolled in all Advanced Classes in grade 7.

Reminder: this form is not to be returned this year; please wait for your teacher or elementary counselor to contact you to complete it.

In order to apply for the Appomattox Regional Governor's School for the Arts and Technology or Maggie L. Walker Governor's School for Government and International Studies, students must successfully complete Algebra I (full year course) by no later than the 8th grade. [There are prerequisites which must be met in order to be eligible to take Honors Algebra I or Algebra I in grade 8.]

Additionally, students will be scheduled into remediation courses as needed and available; this includes, but is not limited to, a nine-weeks of Math Readiness. Band students who need this class will be scheduled for it either during second or third nine-weeks and will only miss band during this time (one nine-weeks); the band teacher supports and works with students who need this option.

Please note that the school reserves the right to make the final selection in all courses.
