Attendance

Regular school attendance is valuable and relevant for academic achievement. State requires students to acquire seat hours in each class to obtain the verified credit to pass the class.

Tardies:

- **Students who are late to school by any means other than division transportation, will be marked tardy to 1st period.**
- **Students who are late to a class without a pass will be marked tardy.**

Absences:

- **Automated phone calls will be made to the primary number on file when students are absent.**
- **When students accumulate 5 absences (notified and non-notified combined) a letter will be emailed home.**
- **When students have accrued 10 absences combined or 6 unnotified absences, a second letter will be mailed home, the school social worker will be notified, and together with the parent a truancy plan will be put in place for the student.**
