Activity Period Meetings

1. Each club sponsor must provide a roster of members to other teachers. After each club meeting during activity period, the club sponsor should have his/her secretary record a list of students who attended the meeting. This list will be emailed to all teachers by 7:50 a.m. the next day (Tuesday) so that the list can be checked prior to submission of skip sheets.
2. Clubs should meet and students remain with sponsor the entire 25 minutes of activity period. This should limit the number of students wandering about the building and “skipping” class by pretending to attend club meetings.
3. Classroom teachers should not release any student from the classroom without that student’s first showing a color-coded membership card and student identification badge for the club meeting on the particular activity period day.
4. One week prior to the club’s meeting, the sponsor should email PGTV (pgtv@pgs.k12.va.us) and Miss Taylor indicating if the club will meet as scheduled and where the meeting will be held.
5. PGTV/Royals Media Now should be used for all club, activity, and sport announcements. The morning and afternoon announcements are reserved for the broadcast of critical information.
