Dear PS/MS 71 Families,

Thank you for your continued partnership. I hope you are finding the time to rest and relax this summer. DOE Central recently issued guidance to schools on blended learning and offered a series of program models that schools will use in the fall. We want our families to be actively engaged in the planning process, and commit to providing you with timely information so that you can feel confident about your decision-making as we make plans for fall 2020.

Please join us on **Tuesday, August 4, 2020 from 6 pm –7 pm** for our first schoolwide reopening parent meeting. The purpose of this meeting is to share the most up to date information with you and to solicit your feedback on our plans for the fall.

Please complete the Learning Preference Survey if you wish for your child to learn 100% remotely (all online, from home). To choose this option for your child, fill out and submit this form by August 7th.

[Here is a glossary of re-opening terms](#) that explains some of the concepts you will be hearing about over the next several weeks.
