ELL/LEP Instruction

Bilingual Education Program

Should twenty (20) or more ELL/LEP students with the same native language at the same grade level be assigned to the same school building in the District, such students shall be provided with a bilingual program. Such program shall be composed of:

1) English as a second language (ESL) instruction which emphasizes understanding, listening, speaking, reading, writing, and communicating skills in English;

2) Course content instruction in both English and the native language; and

3) Native language arts instruction which emphasizes communication skills in the student's home language.

Free-standing English as a Second Language Instruction

Should fewer than twenty (20) ELL/LEP students with the same native language at the same grade level all attend the same school building in the District, such students shall be provided either with a freestanding English as a Second Language (ESL) program, or a bilingual education program. Such program shall be composed of:

Parental Notification

The District will distribute to the parents or other persons in parental relation to ELL/LEP students, school-related information in English and the language they understand. Such parental information will also be provided for those educational services and/or notices mandated by No Child Left Behind (NCLB).

1) For new school entrants designated as ELL/LEP, the parent(s)/person(s) in parental relation shall be provided an orientation session on the state standards, assessments, school expectations and general program requirements for the bilingual education program and the free-standing English as a second language program. This orientation shall take place within the first semester of the child's enrollment in school and, when needed, shall be provided in the first language of the pupil's parent(s)/person(s) in parental relation.

2) Appropriate District personnel shall make an effort to meet at least twice a year with all parent(s)/person(s) in parental relation of ELL/LEP students to help them understand the goals of the program and how they might help their children.

3) Notice to parents will be provided no later than thirty (30) days after the beginning of the school year, or within two (2) weeks after enrollment for students newly identified after the beginning of the school year. b. Describe the student's level of proficiency and how the District determined that level,

    g. In the case of a child with a disability, describe how the program meets the objectives of the child's IEP, and

    h. Explain parental right to remove their child from the ELL/LEP program, to choose an alternative program, and to get help in choosing a program. At a minimum such student shall participate in a free-standing English as a second language program. Parents do not have the option to withdraw their child/children from an English as a second language program.

    If the school building the student attends is unable to offer a bilingual education program due to an insufficient number of ELL/LEP students attending that school, the parent has the option to transfer the student to a school within the District that offers a bilingual program. If the parent chooses not to exercise the transfer option they will be informed that the student will participate in a free-standing ESL program.

Support Services
