Depending on which designated category is applicable to the School District, attendance areas/school building, duration of attendance, and transportation requirements shall be in accordance with law and/or regulation.

Where a homeless student designates the school district of current location as the district the student will attend, that district shall provide transportation to the student on the same basis as a resident student. Where the homeless student designates the school district of origin or a school district participating in a regional placement plan, then that district must provide transportation to and from the homeless child's temporary housing and school.

Transportation responsibilities apply to all school districts regardless of whether or not they receive McKinney-Vento funds. Transportation must be provided during the pendency of enrollment disputes. If the designated district provides transportation for non-homeless preschool children, it must also provide comparable transportation services for homeless preschool children.

Reimbursement

If the School District is designated the district of attendance and the District is either the school district of current location or a school district participating in a regional placement plan, and the homeless child's school district of origin is within New York State, the District is eligible for reimbursement by the State Education Department for the direct cost of educational services.
