**MOUNT PLEASANT COTTAGE SCHOOL UNION FREE SCHOOL DISTRICT****SUBJECT: ONLINE COURSEWORK**

To receive credit, students shall successfully complete an online or blended course and demonstrate mastery of the learning outcomes for the subject by passing the Regents exam and/or other assessment in the subject area.

The School District must ensure that:

- 1) Courses are aligned with the learning standards for the subject area;
- 2) Courses provide for documentation of student mastery (including passing assessments required for a diploma);
- 3) Instruction is provided by or under the direction and/or supervision of a certified teacher from:
  - a. The School District in which the student is enrolled; or
  - b. A BOCES that contracts with the District to provide instruction in the subject area where authorized by Education Law Section 1950; or
  - c. A District who provides instruction in the subject area under a shared service agreement.
- 4) Courses include regular and substantive interaction between the student and the teacher providing direction and/or supervision;
- 5) Instruction satisfies the unit of study and unit of credit requirements.
