

SUBJECT: TITLE I PARENT AND FAMILY ENGAGEMENT

The District will collaborate with parents and other family members to help students participating in Title I programs reach their full academic potential and to improve the District's overall academic quality. As part of its collaboration, the District will conduct outreach; plan and implement programs, activities, and procedures for parent and family member engagement; and consult meaningfully with parents and family members.

District-Wide Parent and Family Engagement

To facilitate parent and family participation, the District will:

- a) Involve parents and family members in jointly developing this policy, its Title I Plan, and its support and improvement plans. If the parents or family members indicate that the Title I plan is not satisfactory, the District will submit their comments to the State Education Department along with the plan;
- b) Improve student academic achievement and school performance through coordination, providing technical assistance, and giving support necessary to assist and build the capacity of all participating schools in planning and implementing effective parent and family engagement activities, which may include meaningful consultation with employers, business leaders, and philanthropic organizations, or individuals with expertise in effectively engaging parents and family members in education;
- c) Coordinate and integrate parent and family engagement strategies with other relevant federal, state, and local programs;
 - Parent Teacher Conferences
 - Open House
 - Newsletters
 - Student Publications
 - School Board Meetings
 - Student Handbook
 - Student Progress Reports
 - CSE Meetings
- d) Conduct, with the meaningful involvement of parents and family members, an annual evaluation of the content and effectiveness of the parent and family engagement policy in improving the academic quality of its Title I schools. The evaluation will include identifying:
 1. Barriers to greater participation by parents and family members in Title I activities, with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background;
 2. The needs of parents and family members to assist with their child's learning, including engaging with school personnel and teachers;

 - f) Involve parents and families in the activities of the Title I schools by participating in the review of their child's current academic progress and in cases where the student has a disability they are invited to help develop their child's Individualized Educational Plan (IEP) goals for the year. Student progress reviews specific to goal attainment will be sent home quarterly.
 - g) Involve parents and family members of children in Title I programs in decisions regarding how funds reserved for parental involvement activities are spent by soliciting their input on the use of parental involvement funds at the beginning of each school year.

School-Level Parent and Family Member Engagement

The Board directs each school receiving Title I funds to develop a building-level parent and family member engagement plan with that school's parents and family members. In addition to the content included above, each school building-level plan will:

- a) Describe how to convene an annual meeting, at a convenient time, to inform parents and family members of their school's participation in Title I programs, to explain Title I requirements, and to identify the right of the parents and family members to be involved. All parents and family members of these children will be invited and encouraged to attend the meeting;

The compact will also detail the means by which the school and parents and family members will build and develop a partnership to help all children achieve the state's standards.

 - 2. Describes the ways in which each parent or family member will be responsible for supporting the child's learning, volunteering in the child's classroom, and participating, as appropriate, in decisions relating to the child's education and positive use of extracurricular time; and
 - 3. Addresses the importance of communication between teachers and parents or family members on an ongoing basis through, at a minimum:

The school counselor assists in providing high quality communication between school and parents or family members. In addition we strongly encourage parents or family members to attend CSE and other important meetings provided during the school year and will assist with transportation.
 - (d) Ensuring regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand.
