Parent/Guardian Signature: _____ Date: _____

SCHOOL NURSE AUTHORIZATION

I assess this student to be self-directed* regarding this medication.

*In the absent of the School Nurse, an individual designated by the Principal, who is trained and supervised by the School Nurse, will conduct the supervision of medication administration. The term "self-direct" is used when your child has been instructed by the School Nurse to know and understand the purpose, name, amount, dose, timing, and effect of taking or not taking the medication, can recognize the medication and refuse to take it appropriately and can ingest, inhale, apply or calculate and administer the correct dose of the medication independently.

Order reviewed by school nurse.
