District. ___________________________ (team)

We recognize the necessity of a thorough conditioning period during the early part of the season to prepare athletes for competition, and to reduce possibilities of serious injuries.

We understand that he/she will be expected to attend practice sessions regularly as scheduled by the team coach. Transportation will not be provided by the school after these practices.

It is not the policy of the school to bar a student from an athletic squad for any reason which would not bar them from an academic class or other school activity except for recognized eligibility rules. While it is strongly recommended that athletes be covered for injuries by their own accident insurance policy, a student will not be barred from participation without it. The school does carry an accident insurance policy on athletes, which, in the event of medical costs resulting from a student's accident, will provide partial reimbursement or will supplement the family's insurance coverage.
