Parents and Guardians:

As the year comes to a close, I want to again thank you for your overwhelming support and continued hard work throughout distance learning. I also want to remind you of the upcoming schedule:

Enrichment Week - June 22nd – June 26th: Students will receive enrichment work and should continue to attend their virtual classes. The virtual after-school program will also continue from 3:00 – 5:00 throughout the week.

Summer School (via distance learning) - July 13th – August 21st: We will continue to follow the same schedule of four hours of synchronous learning each day (9:30 – 11:30 & 12:30 -2:30). Your child will be emailed the zoom link for the classes. The virtual after-school program will also continue from 3:00 – 5:00 throughout the summer.

First Day of School – September 8th: We are still awaiting reopening guidance from NYSED, but I am hopeful that we will be back in a traditional or blended learning environment.

I will communicate any updates throughout the summer, but please feel free to contact me directly at (914) 227-8890 or [sbeovich@mpcsny.org](mailto:sbeovich@mpcsny.org) with any questions or concerns.

Sincerely,

Stephen Beovich
