Dear Saint Agnes Academy families,

Governor Baker has just issued an order to extend the schools closure until May4th.

SAA staff and teachers understand and share your frustration. We are in this together and we will get through it together. We have been ahead of everyone and we will stay ahead. We are here to help and we are not going anywhere.

Do the things you can do for as many people as you can with what you have, breath.

To our families, we couldn't have asked for better partners in education, thank you.

To our students, you rocks! We are proud of you and we miss you so much.

To my staff and teachers, you have been doing an amazing job under such circumstances, thank you! let us keep it up.

Take care of yourself and your family.
