Dear Parents of incoming 5th grade students,

June 2017

We are providing you with a list of supplies, in advance, that your child will need in September. This will allow you to gather all the supplies during the summer when they are at their best prices and easier to find. The supplies are separated into various days so that your child will be able to carry these items to the class themselves. **Please do not drop the supplies off with the Main Office or at the Security Desk.** Please make sure to only bring in the specific supplies that are due for the dates listed below. Please also make sure to label **all** supplies with your child's name. Your child will be reminded to replenish their supplies if they lose or run out of something during the school year.
