What We're Doing In...

Reading

Our Goals this Unit:

- We will be focusing on the standards of comparing and contrasting, theme, author's purpose and point of view.

Writing

Our Goals this Unit:

- Baby Literary Essays
- Responding to literature using reading skills and strategies taught in previous units , as well as using text evidence to support response.

Math

Our Goals this Unit:

- Continue working on Problem Solving with a focus on multiplication and division
- Understand a fraction as a quantity formed by one part when a whole is partitioned into equal parts.
- Understand a fraction as a number on a number line.
- Explain equivalent fractions
