# Second Grade at P.S 153

For the Month:

## Important Dates to Remember!

- November 5th- Daylight Savings Observed
- November 7th- No School —Election Day
- November 15th- Afternoon Conferences
- November 16th- Evening Conferences
- November 23rd- No School Thanksgiving Day
- November 24th- No School Thanksgiving Recess

## Upcoming Units

### Math

We will be finishing Chapter 2 in Mathematics and beginning Chapter 3—Addition of Basic Facts. Students will be able to understand place value and the properties of operations to add.

### Reading

Unit Two - **Nature Watch**—Reading about animals, the earth and our environment through fiction and nonfiction text.

We will be reading nonfiction or information books, to help us do our research for our writing books. It would be helpful to obtain a library card so your child has access to lots of informational books.

### Writing

Unit Two- Informational Writing

The children will be writing information books or books on topics that they already know about. They will also do a bit of research on these topics.

\* Please make sure you read and log with your child every day\*

Thank you for your continued support! :)

The Second Grade Teachers

Mrs. Giacchi, Mrs. Savage, Mrs. Cipriano,  
Mrs. Ornstein
