hello
spring!

What We're Doing In...

Reading

Our Goals this Unit:

- We will be reading various genres of authentic texts
- We will be analyzing structure of text, interpreting words and phrases as they are used in the text, determine central ideas or themes of a text, and summarizing key supporting details

Writing

Our Goals this Unit:

Adaptive Fairy Tales

- We will listen to various adapted fairy tales
- Students will begin to write their own adapted fairy tales.
- Students will include details and dialogue

Math

Our Goals this Unit:

- Understand a fraction as a quantity formed by one part when a whole is partitioned into equal parts.
- Understand a fraction as a number on a number line.
- Explain equivalent fractions
- Compare fractions
