Learn, Grow, Become

William Johnson, Principal

March 19, 2020

Dear AMT,

As of Monday, March 23, 2020 until at least Friday, April 17, 2020, AMT will use a Remote Learning (RL) model. As we embark on the new “Remote Learning” journey please know that we are all in this together, for the benefit of our AMT students. All instruction will occur within a “Google Classroom” environment, of which your student is already a part. If your student needs their password reset, please email passwordreset@amtnyc.org. **A list of all Google Classroom codes is enclosed.**

During the RL period, teachers will be regularly posting assignments and providing instruction, all while holding students accountable for their work. Families can support this learning by monitoring students and engaging with them on their learning. **We will continue to use PupilPath to monitor student progress.** There is also a smart phone application for you to use to monitor your student’s progress. I highly advise you download this application. If you need your student’s access code, please email Ms. Perez @ KPerez11@schools.nyc.gov. **Your students most recent progress report is enclosed.**

While school is closed, AMT will communicate with families through our website, www.AMTNYC.org. There will be regular updates as well as links to information and resources.

Additionally, we will be using **“Remind” app as another way to connect with families.** This is a school service that allows families to receive a text blast with school updates. There is also a smart phone application. I highly advise you download this application.

- **Please text @amthi to 81010 to join our “AMT High School” group.**
- **Please text @amtmi to 81010 to join our “AMT Middle School” group.**

We will continue to use our school phone messenger to provide periodic updates as needed or to advise families of new information.

William Johnson, Principal

I want to take a moment to let you know that the entire AMT family is ready and willing to support you in these trying times. Please always feel welcome to reach out to any staff member through email, they will respond as soon as possible. **We have enclosed a copy of our school email list.**

We have included information from our School Based Health Center (SBHC) regarding continued student care options during our closure. Please reach out to our SBHC as needed.

Sincerely,

William T. Johnson

Principal
