I am pleased to announce that 8 of our fall varsity teams qualified to receive the New York State Scholar-Athlete Team Award for the 2018 season. The NYS Public High School Athletic Association guidelines require a team's GPA for 75% of the roster to be greater than or equal to 90.00 in order to receive Scholar-Athlete Team status.

The results are as follows:

Girls Swimming	94.78
Volleyball	94.70
Boys Cross Country	93.69

I would like to congratulate all of our student-athletes and their coaches for a job well done!
