April 2019

Dear Students and Families,

Final exams and Regents exams are scheduled for Monday, June 17, 2019 through Wednesday, June 26, 2019. We have attached a copy of the final exam schedule, the bus schedule and the prohibited device policy for you to review with your student. The exam schedule should be read carefully with your child to see if there are any testing conflicts across their specific exams. Students should report all conflicts to their subject teachers and to their guidance counselors immediately to assure all assigned exams are taken. Guidance counselors will provide students with directions regarding conflicts and related makeup schedules.

Please note: The exam period runs from June 17th to June 26. We urge families to begin their summer plans on June 27, 2019. Missing final exams or regents exams is not an option unless there are extenuating circumstances.

In order to ensure the safety of our students while they are taking the tests, we will continue to utilize the following procedures.

- We will have initial locker clean-out on Thursday, June 13, 2019. For those who are absent on the initial day, the final locker clean-out will be conducted on Friday, June 14th. Prior to leaving school on that day, all lockers must be empty and doors left open. Dismissal remains at 2:42 p.m. on both days. **Please note that NO STUDENT MAY USE THE LOCKERS AFTER JUNE 14th.**
- The building will be closed at 6:00 p.m. every night from June 17th through June 25th and a thorough inspection of the high school will be conducted each day.
- Should there be a review class scheduled for the evening between June 17 and June 25, students will wait by the entrance near the flagpole and enter as a group with their respective teacher. Students will go directly to the classroom and leave immediately after the session via the flag pole lobby. **No student is to be in the building without direct supervision of a teacher or coach.**
- The main doors to the building which include the flagpole entrance, Central Avenue entrance and the gym entrance will be opened at 7:15 a.m. each morning from June 17 through June 26. **Please drop students off at these main entrances. Testing room information is posted at all entrances.**

The administration would like to thank you for your support over the course of the school year. We look forward to students completing this year on a successful note, reaping the benefits of all the hard work they have done. We remind students to attend to themselves being sure to eat, study and rest properly throughout the next few weeks. Best wishes during finals week.

Sincerely,

Michael Murphy
