Refreshments served prior and during intermission.

Grandpa Vanderhof and his wacky family, the Sycamores, have been happily living their zany lives in his house by Columbia University in New York for many years. This family (and their friends) are a madcap group of eccentrics, marching to the beat of their own drum, with pride and joy. Their hobbies include collecting snakes, building fireworks in the basement, writing a myriad of plays that never get published, and taking ballet lessons. Things like stress, jobs, and paying taxes to the government are for other people, not for them! But when practical young Alice Sycamore becomes engaged to her company's Vice President Tony Kirby, the Vanderhof/Sycamore clan must straighten up to meet the new in-laws. Disaster ensues and it isn't until Grandpa's wise speech to Mr. Kirby about the importance of living life to the fullest that the two families find a way to accept each other, and love conquers all. *You Can't Take It With You* is a madcap, idealistic comedy that reinforces the idea that you can only live life to the fullest by doing whatever makes you happy.
