

EVANS PARK ELEMENTARY SCHOOL
PEARL RIVER, NEW YORK
Together We Can

Please help us keep our children safe.

Arrival and dismissal of students are critical parts of our school day. If you would, please review the procedures for those in your Parent Handbook, distributed last week. Most importantly, we ask that you cooperate in:

- **staying out of the striped bus lane.**
- **dropping children off at the END of the driveway (near the swings).**
- **staying off the blacktop where children are playing in the morning.**
- **meeting children who are “walkers” on the blacktop each afternoon.**
- **sending dismissal changes in writing, not by phone.**
- **leaving the school grounds promptly in the morning and afternoon.**
