

PEARL RIVER
MIDDLE SCHOOL

Grade 5 - Summer 2019

Name: _____

June 2019

Dear Parents and Students,

The enjoyment of reading is the major goal of the Pearl River Middle School's Summer Reading Program. Making recreational reading a top priority at home can only be successful with your cooperation.

Parents and teachers are in partnership regarding the success of children's education. For students to maximize progress in this area, they cannot take an eight to ten week recess from reading. Research from the University of Illinois shows that children who engage in recreational summer reading achieve higher academic success the following school year.

All work will be due mid-September and checked as per teacher's directions.

1. Students will read three books. One book must be chosen from the attached list. Two books are 'free choice' - *the student can select any book at their reading level.*

2. Students will keep a list of all the books they read this summer.

Parents should confirm this list with their signature.

3. Students will take notes on the one book they read from the list, using the attached form as a guide. **This form will be collected in mid-September.**

4. Summer Reading Challenge - If you would like to complete the Summer Reading Challenge, turn it in to your teacher in September. This is an optional activity.
