

Dear Parents of incoming 5<sup>th</sup> Graders,

The reverse side of this letter contains a list of **recommended** supplies for 5<sup>th</sup> graders. This supply list reflects the continuous efforts of teachers, parents and students, to streamline organization for incoming 5<sup>th</sup> Grade Pearl River Middle School students.

Once again, we have partnered with SchoolKidz to offer parents a complete, prepackaged school supply kit that can be ordered on-line and shipped directly to your child’s homeroom teacher. Kits will be distributed to students the first week of school.

The cost for supplies in this kit is \$52.43.

Parents/students have the choice between a wireless mouse (\$15.67) or a wired mouse (\$9.15)

*On the reverse, you will find the complete and specific contents contained in the Staples supply kit offered for on-line purchase. This kit contains items the 5<sup>th</sup> Grade Team believe will work best for students. Please note, however, a supply kit purchase is optional. Should you decide to purchase school supply items on your own, please know that certain items may not be readily available in all stores. You may always substitute for comparable items at your discretion.*

Should you choose to take advantage of ordering a 5<sup>th</sup> Grade supply kit, please note:

**A computer mouse - (wired or wireless) is also needed for 5th grade and is available as a optional purchase in addition to the kit contents.**

Teachers request that 5th graders **NOT** purchase any type of 3-ring binder, Trapper, Case-it, etc. They do not fit inside our desks and become cumbersome for students.

Also, please note:

To help teach important organizational skills, 5th grade students will **not be allowed** use of **string bags** at this time.

Thank you in advance for your cooperation with this.
