

March 13, 2020

Dear Parents,

In light of the threat of the Coronavirus becoming an epidemic in our schools, Governor John Bel Edwards has announced that all schools in Louisiana will be closed starting March 16, 2020 until April 13, 2020 to prevent further spread of the disease in our state.

We are in the process of preparing AT-HOME-LESSONS for your students. Due to the late notice, teachers will prepare lesson packets for students on Monday. All parents are asked to come to the school to pick up the packets on Tuesday, March 17, from 1:00pm and 3:00pm and all day on Wednesday. The assignments will account for student grades. Parents, please assist us by staying abreast of what's due for your students' learning. There may also be online assignments if applicable. Further instructions will be given when you come in on Tuesday to pick up your students' learning packet. You may check our school website starting Monday, March 16, 2020 for updates. Please call 225-624-2113 if you have any questions.

Most of all, stay safe and be careful.

Thank you,

A handwritten signature in blue ink that reads 'Dr. Claudette Aubert'. The signature is written in a cursive style.

Dr. Claudette Aubert  
Superintendent
