Dear Ms. Huegel,

I am pleased to inform you that **02M550 Liberty High School Academy for Newcomers's Literacy center upgrades** project has been selected to receive **\$250,000** of capital funding from the Manhattan Borough President's Office in Fiscal Year 2018. This allocation represents our commitment to working in partnership with your organization to make our borough more accessible, equitable, and livable for every resident.

We are excited about the work that will be accomplished at our schools, homeless shelters, public colleges, and parks. This year's competitive process, drawing hundreds of millions of dollars in capital requests, speaks to our growing need to work in partnership to achieve our shared goals. I am looking forward to paying attention to that work with you.

Your capital award will be managed by **The New York City School Construction Authority (SCA)**. The role of the managing agency is to administer the allocated funds. In the coming months, a representative from the agency will reach out to your organization directly to discuss the contracting process. To ensure that your project is completed in a timely manner, please be as responsive to the agency as possible.

Please remain in communication with my office as contracting begins. If you have any questions, please contact Vladimir Martinez, Director of Budget at (212) 669-4814 or vmartinez@manhattanbp.nyc.gov.

Sincerely,

Gale A. Brewer
Manhattan Borough President
