The High School of Art & Design is pleased to announce its Photo Show, which features works from the Sophomores, Juniors and Seniors.

The exhibition opened with a reception at the John B. Kenny Gallery from 3-5pm, Monday, January 8, 2018. The exhibition will run through January 22, 2018. The gallery is located at 245 East 56th Street, New York City.

Students in the Photography department collaborated to bring together a collection of over 150 works, some large format displayed on 30"x40" uprights, which explore themes of connection, country, relationships and environment. Currently political climates, although a pervasive topic of conversation, is not the predominant focus, rather the students have looked beyond to a mature view of how their art form can be transformative, restorative and bring peace to the viewer.
