NEW SCHOLAR WELCOME LETTER

Dear Scholar:

Congratulations on your acceptance to City Polytechnic High School for Engineering, Architecture & Technology, a P-TECH school! We are delighted that you are joining our family and the network of 9-14 Pathways in Technology (P-Tech) school.

The transition from middle school to City Polytechnic High School can be both exciting and challenging. Both parents and students have expectations, concerns, and questions. In order to address these issues, I would like to invite you to our Class of 2021 & 2023 Orientation - turnover for the tentative agenda - please save the date:

Saturday, June 3, 2017
9am to 12pm
Mac Lab, room 454

Our goal is to introduce you and your family to your new school community and provide an overview to our mandatory Summer Bridge Program for incoming Grade 9 students. Guided tours will be provided to see some of our programs in action, and you will have the opportunity to learn more about our school culture and academic expectations from current parents, faculty members, and students.

Things to bring to the Orientation:

- Your most recent report card or progress report
- Your most recent IEP, if applicable
- Student writing sample and/or portfolio (will not be returned)

During the Orientation, you will receive the following in your Welcome Folder:

- 2017-18 Student & Parent Handbook
- City Poly Swag
- *2017-18 Forms to Return*: Emergency Blue Form, Lunch Application Form, Updated Immunization Form, Internet Usage Policy, Media Release Form

Please **R.S.V.P by May 31st** by emailing parents@citypolyhs.org with the student's name and parent name who will be in attendance.

Respectfully,

Judie Cherenfant
Principal
