

City Polytechnic High School of Engineering, Architecture and Technology
2017 - 2018 SENIOR ACTIVITIES (last updated 8.30.17)

Class of 2018, we are extremely proud of your accomplishments thus far, and hope that you continue on your journey towards academic success! Senior year at City Polytechnic High School should be a fun and rewarding time. To participate in any of the senior activities, students must satisfy the following criteria:

Senior Certification and Graduation

Students must be in good academic standing and on track to graduation in both exams and course credits.

Per NYCDOE policy, high school students **must** meet promotion/graduation requirements to participate in our graduation ceremony. Schools must clearly communicate these expectations to students and families.

An Acceptable Disciplinary Record

Students may be prohibited from attending commencement-related activities or graduation ceremonies when the student poses a real threat of violence or disruption to the event. In this case, students and families will be advised in writing. Students on suspension at the time of the commencement ceremonies also may be prohibited from attending these events.

Administration may deny any senior from participating in any senior activities due to disciplinary reasons. Please refer to the Student and Family Handbook for guidance.
