Senior Rings:

Dear Seniors,

Please note that although many of you were sized for your rings, but several of you did not make the necessary payments to receive them. **The final day to make your \$60 payment towards your senior ring is Friday, February 8th, 2019.** Please also be aware that if you customized your ring beyond the basic sterling silver package, the price of your ring will be higher. If you cannot remember the ring you ordered, please see Ms. Trama for a copy of your receipt.

Rings take about 10 weeks to make. The delivery date for ALL senior rings will be in approximately late April to May. No payments will be accepted after the 2/8/19 date, which means you will not receive a senior ring if you do not order by this date.

Sincerely,

Melissa Ramos, Principal
