New Hope Saturday Academy

January 18, 2018

Dear Parents and Guardians,

In order to best support student achievement at New Hope Academy Charter School, we will be providing all students of grades 3-5 with the opportunity to prepare for the upcoming **New York State ELA and Math 2018** exams. Students will come to the *New Hope Academy Charter School* on Saturdays from 10:00am to 1:00pm to practice skills and learn information that will allow them to perform better on the **New York State exams** as well as in school. This opportunity will be **mandatory** for all grade 3-5 scholars.

Students who attend the *New Hope Saturday Academy* will spend one hour and 30 minutes practicing Ready English Language arts and one hour and 30 minutes on Ready Math. Scholars will be expected to bring a pencil and a notebook.

Students are responsible for coming each Saturday, being on time, trying their best to learn the information being taught and being respectful of the teachers at the academy. We believe that this will be a great opportunity for your child and look forward to their attendance at each session.
