Dear TEAM 74 Students and Families of 8th grade,

On Wednesday, March 13, 2019 all 8th grade students will participate in our Annual Career Day. Throughout the course of this day, our 8th graders will have the opportunity to meet people from a variety of different professions, ask questions and explore possible careers paths for their future. In alignment with College and Career Access for All, students will also have the opportunity to reflect on their own strengths, interests and goals, as they relate to the career process.

In order to fully immerse our students in Career Day, we ask that all students dress in a professional manner on that day. It is suggested that gentlemen wear shirts, slacks, dress shoes and a tie. Ladies can wear a dress, skirt or nice slacks with a blouse.

We look forward to sharing this wonderful opportunity with our 8th grade students!
