Dear Parents,

Please be advised that final exams will be administered in Science, Social Studies and Spanish to all students, with some exceptions. Those students that are taking the 8th Grade Science Exam, the Living Environment or U.S. History Regents or the Spanish Proficiency Exam will not have to sit for a final exam in that subject. Below you will find the schedule of final dates and the topics covered on each exam. All teachers will be reviewing these topics with their classes prior to dates below. All finals will carry the weight of one classroom exam (unless otherwise noted by your child’s teacher) and the grades will be printed on 4th Marking Period report cards. Final exams will only include content covered since the administration of midterms in January.

Please make sure your child works to the best of his or her ability to prepare for these exams. Students are encouraged to ask questions of their teachers if any of the topics listed below are unclear.
