Dear TEAM74 Families:

As stated in prior communications, "***It Takes a Village***" and from what I am observing, our village continues to *soar BEYOND*...

We are soaring with the embracement of meeting the diverse needs of our students, which is our first priority, while educating ourselves on navigating the safety and health concerns before us...

2016-2017 New York State Reward School

We are soaring with the embracement of utilizing an online platform, Google Classroom, in order to provide instruction to our students, as they continue to prepare for BEYOND...

Voted Best Middle School in Queens

"Respect for All" Award Recipient

We are soaring, due to the basic philosophy that we embrace,  
**TOGETHER EVERYONE ACHIEVES MORE!**

Although we do not have all the answers at present, please know that once we do, we will inform all that are involved; through NYC My Schools, Pupil Path, web sites, Twitter and School Messenger, you will continue to receive updates.

In Partnership with St. Francis College

Our teachers have invited your children to join Google Classroom and our new Parent Coordinator, Ms. Kujtime Suljovic, is available to assist, (KSuljovic@schools.nyc.gov).

TEAM74 is not a building- it is you, it is our missed students, it is teaching and learning, it is our collaborative community of empowerment and love and we will ALL continue to soar; *it's the Hawthorne Way!*

Yours truly,

*Anthony M. Armstrong*
