

Ronald McDonald House

Fundraiser

Starts- February 5th, 2018

Ends- March 5th, 2018

The Ronald McDonald House Charities is an American independent nonprofit organization whose purpose is to create, find, and support programs which reflect the wellbeing and health of children in need. Families get to stay in their facilities while their children are under critical health conditions. With the help of fundraisers created at schools nationwide, the RMHC is able to provide the basic necessities (toiletries, rooming, etc) to families **for free!** It is our mission as a school to raise these necessities as welcoming gifts for families staying in these facilities.

Please bring in the following items to the three bins located in the Hall of Kindness (located outside of the auditorium)
