### You're invited to the fall 2019 High School Fairs!

High school fairs take place in each borough. Come to a high school fair to meet with schools in that borough, and attend workshops on how to apply to high school!

Want to see high schools in multiple boroughs? You can! Register to attend as many fairs in as many boroughs as you'd like on the DOE website : <https://www.surveygizmo.com/s3/5149588/e2f77e98e5aa> Registration is not required, but it will help us plan for the best events possible!

Every high school fair has the same workshop schedule. Each workshop is 30 minutes long, and you're welcome to attend as many as you'd like. We recommend arriving 15 minutes early for any workshop.

Here's more information about each borough fair - scroll down to register:
