

# Nathaniel Hawthorne- MS 74

## Career Day

**To: The Parents/ Guardians and Staff of MS 74**

**From: The Career Day Committee**

**When: Wednesday, March 13, 2019**

**Time: 8:00- 1:00 PM (includes light breakfast and lunch for presenters)**

As we look ahead towards **College and Career Readiness** for our 8th grade students we are planning our annual **Career Day**. We would like to have a wide representation of the work force presented, can you or someone you know help with this endeavor?

We would like to know the following from each presenter:

How they choose their career? What obstacles they encountered? What encouraged them to go into this line of work? Did they change their course of action from what they thought they wanted to do? What education did their line of work require? Are they happy with the choices they made? What are the advantages of having this career? What are the tools of the trade?

If you or someone you know is interested please return the below to Chris Spagnolo (parent coordinator) or contact her through email at [cspagnolo2@schools.nyc.gov](mailto:cspagnolo2@schools.nyc.gov) or via telephone at 718-631-6800 ext. 5233.

We look forward to a very exciting career day.
