There are training sessions for members to attend throughout the school year through the District Office.

At MS 74 our team currently consists of: Principal, UFT chair, PTA president, 5 staff members and 6 parents . The Core members (school principal, United Federation of Teachers Chapter Chair, PTA president) must be on the team.. Total of 14 members.

MS 74 School Leadership team has a 2 year term. Elections are done for open positions in the spring after the PTA executive board elections. Since the term is two years, not all positions are open every spring.

Our School Leadership meetings are held in the school at 6:00 PM on the same evening as the PTA General Membership meetings throughout the school year. They last about an hour.

Elections will take place immediately following our PTA Executive Board Election. Each candidate is asked to deliver a short speech just prior to the election of SLT. If you are interested in a position on our SLT team please fill out the below form and return to the PTA mailbox.
