Dear Parents,

Welcome back! I hope and pray that you and your loved ones are healthy and safe. I know we will get through this difficult time. Thank you for your patience and flexibility as we transitioned into the new school year. We miss you. You are awesome!

Know that as a close-knit community, we are here to support you and keep you informed. During the next few months, we will be conducting all instruction through a blended and remote learning platform. Google Classroom will be used in all classes.

We are planning exciting projects for the fall semester. Our teachers are ready to work with your child to complete assignments. It's never too late to submit work.

We will be sending daily Kinvolved messages to keep you informed and please feel free to contact me at gserve@schools.nyc.gov any time.

Warmly,

Principal Georgia Serves
